ABOUT US

FLAVOR IS OUR PURPOSE

With over 20 years of culinary experience, Fabulous Food is the Valley's go-to catering service for unique innovations, quality ingredients, and professional services

OVERVIEW

Fabulous Food Fine Catering and Events has produced one-of-a-kind events using exquisite artisan cuisine since 1996. Founded by culinary author Skip Hause and his wife Chantal, Fabulous Food has become one of Arizona's most trusted catering services for outstanding private entertaining.

We create our customer experience, from the first phone call, email or text, through the planning process, executing the event and post event conversation. We empower our people to think outside of the box while creating special events. From the latest food and décor trends, unusual entertainment options, beautiful centerpieces, talented photography and anything else necessary for a unique experience.

Our team recognizes the Customer Experiences extends beyond the food and the “plans”. They’re experts in relationship building. They continually go the extra mile and exceed the standard time and time again. While our food speaks for itself, the genuine relationships we build are our secret sauce. It’s what keeps our clients returning for future events.

As Fabulous Food has evolved, we now provide an array of outstanding services including food and beverage management, restaurant management, restaurant ownership, delivery, staffing, event planning, and event design. We strive to provide an employee-centric, family-oriented work environment, as well as to be recognized as a company that provides high-quality experiences through our artisan cuisine, exceptional service, and integrity.
